E/G# Bm A
you are touching places still dark
E/G# Bm A
deep inside of us
D/F# E/G# A
king of glory come in.
Messing us up,
you are setting us up for
eternal love,
oh, king of glory come in.

(2) We're not holding on anymore
to the keys to the doors
we give them to you,
king of glory come in.
Oil the hinges on the gates
Turn the lock, roll the stones away
we call to you, oh, King of glory come in.

Asus Asus/F#
Open wide,

open wide and we will usher you in.

open wide, oh King of glory come in.
